Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I want to bring to your attention that this site has been down for most of this afternoon, and people have not been able to make comments. I urge that this application be kept open for an extended period of time to allow further comments to be made. I object to this application as do my neighbours. They came to see me earlier as they were unable to access this site. I fear some people may have been put off, because they were unable to comment.

I would like it noted that this consultation period be extended to allow for others to comment.

Kind regards
