Dear Planning Officer,

I am writing in relation to planning application DC/26/0084 at Barnards Nursery. While reviewing the public comments, I noticed that one of the strongest supportive statements has been submitted by an individual who lives on the land being developed [REDACTED]
[REDACTED]

I fully understand that members of the public are entitled to comment on planning applications.
[REDACTED]

As immediate neighbours, we have experienced significant disruption over the past year, including excessive noise, dust, and pollution. This has affected [REDACTED] our ability to enjoy our garden, and the wellbeing of our children and pets. Given the scale of the disturbance already endured, we are extremely concerned about the prospect of further construction and prolonged impact on our quality of life.

I respectfully request that the planning authority gives appropriate weight to comments from genuinely unaffected third parties, and carefully considers the substantial impact this development continues to have on neighbouring properties.

Thank you for your attention to this matter.

Yours sincerely,

[REDACTED]
