Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	This sales office is not connected In any form to Amblehurst Green and it's paying residence Parking will cause an issue on a busy road and is far to near to local houses They should build a sales office on their ow new land beyond the bushes where they are going to actually build the new houses Not use land that was never for a sales office

There's no way this developer will keep to timelines and this sales office like many will be there longer than needed
Cutting into a hedgerow and damaging nature is not justified
Just build the sales office on the new land not next to houses that have no connection to this new development

Kind regards
