Development Site is not within Southern Water's Wastewater Services Area

The development site is not located within Southern Water's statutory area for wastewater services. Please contact Thames Water who are the relevant statutory undertaker.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction work, an investigation of the sewer will be required to ascertain its ownership before any works commence on site. If this happens, please call our Customer Service Desk on 0330 303 0119

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119)
