Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The large development of 180 houses is too large and the access along church Lane is impossible for the amount of cars that will be associated with the development. As a villager of Ashington for 20 years I do not want the village to become a small town. Ashington is surrounded by beautiful countryside with lots of wildlife in it and it would be sacrilege to desecrate such a beautiful area. We must keep our rural villages as villages with all the benefits that come with that.

Kind regards
