Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	Whilst I am not as directly impacted by this on-going development as Mr. Yeoman and his family, I do notice the greasy smell which has caused me to close windows and french doors of an evening as it was beginning to pervade the house. My greatest concern is that the Planning department appears to be back-footed in addressing any of the issues of public concern while the business owner carries on regardless, with seemingly lack of regard for regulations or the impact on local residents. Does the planning committee feel that a take-away food business operating from

7:00 am to 11:00 pm with its concomitant effects of noise, smells, inappropriate parking is appropriate in the midst of a largely residential community?

Kind regards
