Comments:	I am writing to support this application. The cafe at Browns Farm known as the Cabin started as a small venture during the covid pandemic, run by two young Henfield people and quickly became a meeting place for locals and visitors. It operates quietly, causes no impact on neighbours [REDACTED], it is loved by locals and visitors and HDC should grant permission without delay. I am aware that a local business [REDACTED] have complained about the fairy lights causing a nuisance: what nuisance can it cause? [REDACTED]

Kind regards
