Random Hall Hotel Stane Street Slinfold West Sussex
Change of use from hotel to 6no. residential units (Full application)

Your application DC/26/0517 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Reason: For the avoidance of doubt and in the interest of proper planning.

1 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

2 **Pre-Commencement Condition**: Before any work begins on site, the person(s) responsible for supervising the works must meet the conservation officer of the Local Planning Authority, on site or as otherwise agreed, to confirm that all the conditions attached to the listed building consent are understood and can be fully complied with.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

3 **Pre-Commencement Condition**: Before any work begins on site, the person(s) responsible for supervising the works must meet the conservation officer of the Local Planning Authority, on site or as otherwise agreed, to confirm that all the conditions attached to the listed building consent are understood and can be fully complied with.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

4 **Pre-Commencement Condition**: Prior to commencement of any part of the development hereby permitted, full details of all hard and soft landscaping works shall have been submitted to and approved, in writing, by the Local Planning Authority. The details shall include plans and measures addressing the following:

- o Details of all hard surfacing materials and finishes
- o Details of all boundary treatments
- o Details of all external lighting

Reason: To ensure a satisfactory development that is sympathetic to the landscape and townscape character and built form of the surroundings, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015

5 **Pre-Commencement Condition**: No relevant works shall commence until the following details have been submitted to and approved in writing by the Local Planning Authority. The works must not be executed other than in complete accordance with these approved details:

a) Drawings to a scale not smaller than 1:20 showing new internal drainage routes within the historically significant portion of the building, noting all necessary cutting, chasing and other alteration to historic fabric.

b) Drawings to a scale not smaller than 1:20 showing new staircase within the historically significant portion of the building, noting all necessary cutting, chasing and other alteration to historic fabric.

c) Specification and/or drawings fully describing method of incorporating thermal, fire and sound insulation, describing the affect on the appearance and fabric of historic and architectural features.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

6 **Pre-Commencement Condition**: No works to change the use of the building can be made until all asbestos containing materials shall be identified in accordance with the guidance given in HSG264 Asbestos: The Survey Guide.

All confirmed or suspected asbestos containing materials shall be removed by an appropriately licensed and competent contractor. A written report detailing these works shall be submitted to and approved in writing by the local planning authority. The report shall include details of validation measures undertaken to ensure that all areas where works have been undertaken are free from asbestos.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to humans and the wider environment during and following the development works and to ensure that any pollution is dealt with in accordance with Policies 24 and 33 of the Horsham District Planning Framework (2015).

7 **Pre-Commencement Condition**: No works to change the use of the building can be made until a scheme of noise mitigation and mechanical ventilation sufficient to prevent overheating and maintain thermal comfort has been submitted to and approved in writing by the Local Planning Authority. The scheme shall include but not be limited to:

A) The glazing plan with supporting technical specifications to demonstrate performance.
B) Prior to occupation a site visit shall be carried out by a suitably qualified person and a final verification report shall be submitted to and approved in writing by the local Planning authority.

The approved noise, vibration attenuation and ventilation measures shall thereafter be retained and maintained in working order for the duration of the use in accordance with the approved details.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to future occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

8 **Pre-Commencement Condition**: Prior to commencement of the conversion the applicant shall provide a scheme of sound insulation and construction that shall ensure that the sound insulation of the party floors is 5dBA or better than normal building regulations. The scheme shall be submitted to and approved in writing by the local planning authority and shall also include details of post construction verification to be carried out. Prior to occupation the post construction verification report shall be submitted to and approved by the local Planning Authority and the premisses shall not be occupied until any necessary remedial work has been satisfactorily completed.

Reason: As this matter is fundamental to ensure that no unacceptable risks are caused to future occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

9 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a scheme for the provision of car parking spaces has been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be installed prior to first occupation of the development and shall thereafter remain as such.

Reason: To provide car-parking space for the use in accordance with Policy 40 of the Horsham District Planning Framework (2015).

10 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a scheme for the provision of cycle parking facilities serving it has been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be installed prior to first occupation of the development and shall thereafter remain as such.

Reason: To ensure that there is adequate provision for the parking of cycles in accordance with Policy 40 of the Horsham District Planning Framework (2015).

11 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until the necessary in-building physical infrastructure and external site-wide infrastructure to enable superfast broadband speeds of a minimum 30 megabits per second through full fibre broadband connection has been provided to the premises.

Reason: To ensure a sustainable development that meets the needs of future occupiers in accordance with Policy 37 of the Horsham District Planning Framework (2015).

12 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a landscape management and maintenance plan (including long term design objectives, management responsibilities, a description of landscape components, management prescriptions, maintenance schedules and accompanying plan delineating areas of responsibility including areas to be defined as private gardens and other areas such as buffer zones) for all communal landscape areas (including any buffer zones) has been submitted to and approved in writing by the Local Planning Authority. The landscape areas shall thereafter be managed and maintained in accordance with the approved details.

Reason: To ensure a satisfactory development and in the interests of visual amenity and nature conservation in accordance with Policy 33 of the Horsham District Planning Framework (2015).

13 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a scheme for the provision of electrical vehicle charging points has been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be installed prior to first occupation of the development and shall thereafter remain as such.

Reason: To provide electric vehicle car charging space for the use in accordance with Policies 35 and 41 of the Horsham District Planning Framework (2015) and the WSCC Parking Standards (2019).

14 **Regulatory Condition**: No new plumbing, pipes, soil stacks, flues, vents, ductwork or the like, shall be fixed to any external face of the building other than as shown on the drawings hereby approved.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

15 **Regulatory Condition**: The dwelling(s) hereby permitted shall meet the optional requirement of building regulation G2 to limit the water usage of each dwelling to no more than 110 litres per person per day. The subsequently installed water limiting measures shall thereafter be retained.

Reason: To limit water use in order to improve the sustainability of the development and to ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policies 31 and 37 of the Horsham District Planning Framework (2015), N6 of the National Planning Policy Framework (2026), and to enable the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority Habitats & Species).

Note to Applicant - Biodiversity Net Gain Condition
Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:
(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

Under Regulations 4, 5, 7 & 8 of the Biodiversity Gain Requirements (Exemptions) Regulations 2024 the statutory biodiversity gain condition required by Schedule 7A to the Town and Country Planning Act 1990 (as amended) does not apply in relation to planning permission for development which:

1. does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (a hedgerow habitat or watercourse habitat identified for the purposes of the biodiversity metric);

2. is the subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015;

3. is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the biodiversity gain planning condition which applies in relation to another development (In determining whether a development is undertaken solely or mainly for this purpose, no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee);

4. consists of no more than 9 dwellings, is carried out on a site which has an area no larger than 0.5 hectares, and consists exclusively of dwellings which are self-build or custom housebuilding ("Self-build or custom housebuilding" has the same meaning as in section 1(A1) of the Self-build and Custom Housebuilding Act 2015 (as amended)).

In addition, the Biodiversity Gain Plan Condition does not apply to applications for major development made before 12 February 2024, or non-major development made before 2 April 2024.

Based on the information submitted in the planning application documents, the Planning Authority considers that this permission is exempt from biodiversity net gain, and as such does not require approval of a biodiversity gain plan before development is begun.

Statutory exemptions and transitional arrangements
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant - Hidden Features
If hidden features are revealed during the course of works, they should be retained in situ. Works shall be suspended in the relevant area of the building and the Local Planning Authority notified immediately. Failure to do so may result in the execution of unauthorised works that would constitute a criminal offence.

Note to Applicant – Community Infrastructure Levy (CIL):
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a

Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at

least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
