Ref: DC/24/0022

Dear Sir/Madam,

Many thanks for your letter of above date concerning 194 Crawley Road, Horsham, W.Sx RH12 4EU.

Unsure how many times I've received letters regarding planning permission for (erection of a two storey side and rear extension) and now asking for a sewer, which obviously can be smells, plus Crawley Road is a busy main road, not only with cars, vans, lorries, with buses too. As it is, it can get held up at the best of times, due to the public back's forth to work's school runs etc.

Lots of young children attend the nursery playschool opposite (194), others walk to their primary schools around corner, and again opposite practically to (194). So there are safety reasons to be concerned with regarding this! Parking along here, plus Grace Court itself is a no. no. We have noise of the traffic anyway, let alone drills, diggers, cranes etc.! So yes disturbance this would be!

Entering Grace Court in a vehicle, there is only one way in and out! Plus, mums/dads walk their youngsters to school etc. older girls/boys walk back & forth. One of my windows face this house, the other three larger windows face part of their garden & large shed. Also, the builders of these flats here were built by 'Redrow', obviously they

erected the tall fences along 194 and elsewhere with lots of nice bushes trees etc and are very good keeping our grounds neat & tidy over the years.

[redacted]

Regarding to the councils website, I do not possess any kind of computer or Smartphone, therefore I cannot see outlay. Only what I can see from my windows from time to time like other people, its nice to open the windows, no way would

I or others want dirt, dust, smells, noise etc. as an extra breach of the peace!

Thanking you.

[redacted]

P.S Your builders etc. are not allowed to 'Park' your homes etc. onto Grace Court, we pay for our car space! Also, there are Tesco, Sainsburys, Asda, Ocado deliveries here early mornings, dust-carts & homes, that can hardly drive around Grace Court as it is!
