Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Church Farm Walk is a single track road with a few houses on. Leading up to Church Farm Walk is also a single track road which is used by people parking in the car park opposite the church and going on walks by the river. By building houses at the end of this

track will create more traffic on these narrow roads. Also the wildlife on this piece of land will be impacted on. In the short space of time I have lived here (1 week) I have already seen an abundance of wildlife from bats, owls, pheasants, deer on this land. There will also be more noise from more traffic and the habitants.

Kind regards
