Comments:	We have submitted a response to this application, but it has not appeared on the portal, therefore submit it again. The application was discussed at the Full Council meeting on 12th march 2026. Cllrs raised an OBJECTION to the application in accordance with a previous application regarding the garage (DC/21/1765). The HDC decision report for that application states item 4. "the garage ... shall not be used as a separate unit of accommodation or commercial use".

It was also noted that there are concerns over drainage, and the dwelling is outside of the BUAB.

Kind regards
