Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	There is already far too much building going on around Horsham. Southern Water have indicated we are using more water than is sustainable, and 180 more houses will significantly add to this. Traffic from such a significant number of houses will crowd on to already very busy roads, many of which are already in an appalling condition. Local schools and healthcare cannot sustain yet more people into

this area.
Leave this lovely field for the wildlife, they need it more than
humans do.

Kind regards
