Stance: Customer objects to the Planning Application

Reasons for comment:

- Design
- Highway Access and Parking
- Overdevelopment
- Privacy Light and Noise
- Trees and Landscaping

Comments: We strongly object to this planning application.

Please do not turn our lovely village into a town!

It will change the character and rural setting of Southwater, losing beautiful and irreplaceable countryside.

We have had more than our fair share of additional housing. The congestion and noise pollution through the village is bad enough already.

Southwater is a village and should remain a village. Enough is enough !!

Kind regards
