Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Practical concerns about vehicles blocking the road, work is already happening prior to the decision on the 5th May, such as foundations being built. Currently, how the work vans park hinders visibility to get into the road. Future concerns will be further materials being delivered, it is on a blind bend and we've had incidents before with vehicles blocking the road.

Kind regards
