

HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	1 Hilltop Cottages, The Mount, Ifield
DESCRIPTION:	
REFERENCE:	DC/25/1963
RECOMMENDATION:	Advice / No Objection / Objection / More Information / Modification / Refusal
SUMMARY OF COMMENTS & RECOMMENDATION: The proposed dwelling will not harm the setting of the listed building.	
MAIN COMMENTS: Dear Hannah, The proposed dwelling will be placed within the setting of The Mount Farm, a grade II listed farmhouse and associated historic agricultural buildings. This setting has changed over time and together with the conversion of the historic farm buildings has diluted but not erased the historic character of the setting. A pair of semi-detached properties built in the mid-twentieth century are placed between the listed former farmhouse and the development site. I am satisfied there will be little, if any, intervisibility and the proposed dwelling will not appear as an unexpected dwelling in this location. If you are minded to permit the application I have suggested conditions below. Regards, Seán	

ANY RECOMMENDED CONDITIONS:

LB01 Samples of External Materials and Finishes

Pre-Commencement Condition: Prior to relevant work beginning, the following details shall have been submitted to and approved in writing by the Local Planning Authority. The relevant works must not be executed other than in complete accordance with these approved details:

Specifications of external materials and surface finishes.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB02 Roof Detailing/Junctions

Regulatory Condition: The new roof junctions at ridge, hips, valleys, eaves and verges shall be built to reflect traditional detailing including exposed rafter feet, cut verges, bonnet hip and valley tiles and hogs back or half round ridge tiles.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB03 Windows

Regulatory Condition: The new windows fitted in the building hereby permitted shall have casements flush fitted with their frames if manufactured in timber or plastic.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB04 Roof Lights

Regulatory Condition: The roof lights hereby permitted shall be metal framed and sit flush with the roof slope.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

LB05 Rainwater Goods

Regulatory Condition: All new and replacement rainwater goods shall be cast iron or cast aluminium or cast effect plastic.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special

architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).
