Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	At the Planning and Environment committee meeting of 13th January 2026, the committee resolved to an OBJECTION to this application due to safety concerns surrounding the material and design of the fence; that being a low height metal fence with pointed features along a narrow bending path giving a potential cause for injury in the case of a fall.

Kind regards
