THAKEHAM PARISH COUNCIL CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Manor Buildings Park Lane Ashington Pulborough West Sussex RH20 3AW
PROPOSAL:	Notice of intention to open a campsite for 60 days under permitted development rights
REFERENCE:	DC/25/0297
RECOMMENDATION:	OBJECTION

SUMMARY OF COMMENTS & RECOMMENDATION:

Thakeham Parish Council (TPC) Objects to the application.

MAIN COMMENTS

This application has previously come before TPC in the form of DC/24/0461, where on the 30.04.24, the council stated they were unable to support because;

"MAIN COMMENTS: There may be ways to address the Water Neutrality issue, but TPC requests that the application is either put on hold or refused until such time that the applicant can provide data to clearly demonstrate that Water Neutrality can be achieved. There are existing water meters in place and many other facilities that can be adapted on site to mitigate the extra water usage. Furthermore, there is next to nothing within the application. ANY RECOMMENDED CONDITIONS: Applicant to come back with a fully developed Water Neutrality scheme and a fully detailed application."

To date, none of the recommendations have been met or considered and the application is in essence – the same as before. Only this time, TPC Objects in order to require a better standard of application is submitted with the information requested, addressed.

ANY RECOMMENDED CONDITIONS:

See above
