ITCHINGFIELD PARISH COUNCIL

9th July 2024

Development Control Committee – Area North
Horsham District Council
Park side,
Chart Way
Horsham
West Sussex

Dear Planning Officer

Following the Parish Council Meeting on 24th June 2024, this is to confirm that Itchingfield Parish Council would like to make the following representations to be put before HDC Planning Committee (North).

DC/24/0782 – Overhead high voltage cables to be upgraded from its current 2 wires to 3 wires.
As this is a statutory requirement Itchingfield Parish Council has no objections to this planning application.

Kind regards

Chairman to Itchingfield Parish Council
