Dear Sir/Madam,

**Overhead High Voltage Cables to be upgraded from its current 2 wires to 3 wires.**

**Land Adjoining Elmhurst Farm Five Oaks Road Slinfold Horsham**

I refer to your application received in this office on 17th May 2024 concerning the above site.

This Authority does not have any objection to the above works and they may proceed under the terms of the Overhead Line (Exemption) (England and Wales) Regulations 2009.

It is though noted that the southern section of the site comprises ancient woodland, which is defined as irreplaceable habitat in the NPPF. It would therefore be recommended that precautions be taken during the works to minimise any potential impacts.

Yours faithfully

Emma Parkes
Head of Development and Building Control
