Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	These plans should not be allowed, due to the ongoing noise that they make, the constant dog howling in the stable , as left alone all weekend, no horses ever been in stable no horse currently on site for past year. No no no as will become a traveler site, they will get permission and do whatever they want.

Kind regards
