Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	As a resident of the village I object to further development of this area. We have the right to remain a village and not become another suburb of horsham like the areas around broadbridge heath. Village communities are essential to british culture. We don't have the infrastructure to cope with another development while the last one isn't even completed yet. Sewage is already

flowing into our ecosystem at a site in emms Lane while the whole village is struggling with flooding (again) currently. The answer is not to build more house on one of our fields. Our roads are not built to cope with the massive lorries coming in and out over a 2 year period. Last time they wrecked the road near westons farm shop but the building companies are never accountable. We as a village are passionate and organised and we will fight this to the end

Kind regards
