Reasons for comment:	
Comments:	I feel that this development will entirely ruin the village character of Barns Green. The proposed cite is right at the heart of our village, opposite our shop and pub and the proposed access roundabout right in front of both buildings will prevent passing trade parking. The village's roads are not conducive to increased numbers of

cars which the development would inevitable cause and our local GP surgery is already over subscribed which means it is increasingly difficult to get an appointment. The wonderful sense of a real community in our small village will be lost forever if this huge development goes ahead.

Kind regards
