Customer Details

Address: Apelone Two Mile Ash Rd Barns Green, Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Barns Green is a small village away from any main road and already has two large housing estates. The rural road system is not compatible with the increased number of dwellings that have been proposed. Parking is already a big problem in our village. This would increase

even further with 60 more houses.
The village school is already at full capacity and would struggle with an increased number of applications.
There is a strong feeling from the owners of both the village shop and pub, both of which have threatened to close if this development goes ahead.

Kind regards
