Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is an area where the access road is already inadequate and in fact dangerous. Any widening of access roads will destroy the existing established trees. The area is not well served by bus

service and no services such as supermarkets and fuel stations.
Finally it's a lace jf beauty

Kind regards
