Comments:

Loss of character & village atmosphere.
Likely loss of pub & village shop which is a lifeline for everyone especially for those without transport. Bus service is extremely inadequate with only a few buses running each week on certain days.
The roads in the village will not cope with increased traffic & parking with more cars in the village will be intolerable.
Threat to existing wildlife.
Carbon footprint & pollution will be worsened .
Flooding is an existing issue in the village especially Chapel road as the drains are totally inadequate. The shop & pub are always at great risk of flooding .
No additional infrastructure has been taken into consideration as education & medical facilities will be needed.

Kind regards
