Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	The area already suffers terribly from flooding, the proposed site truly makes no sense and could actually be deemed deceitful when it comes to selling these houses to future buyers who may have little idea of the current state of the field & the impact the

houses/additional car flow/lack of infrastructure will have on them and also the current residents of Barns Green.
The pub landlord has expressed he will have to close the pub which is the absolute heart of the village & would be a travesty.
Please rethink the positioning of this new housing project - it will have such a huge negative impact on the villagers

Kind regards
