**Subject:** DC-26-0073 - 2 Woodfield Terrace, Henfield Road, Cowfold

Hi Marie,

The Trees team have been consulted on the above application for development due to presence of an historical TPO (Ref: TPO/0762) affecting the property.

I can confirm that the nearest trees affected/shown on mapping were removed decades ago. There are no tree constraints remaining at or close to the property frontage.

Regards

Andy
