Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I have reviewed the application and would like to provide an observation. The road in this area can become busy at school times and on-street parking can during that time be limited. These are general factors that may be relevant when considering the proposal. This observation is offered for consideration in the context of the planning process.

Kind regards
