Dear Sir/Madam,

Town and Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure England) Order 2015

Approval of details reserved by conditions 3,4 and 5 to approved application DC/17/0587

Holmbush Farm Crawley Road Faygate West Sussex

The Authority has considered your application, and I can confirm that the submitted information is acceptable pursuant to the following condition(s):

3. **Pre-Commencement Condition**: With the exception of the 2017 event (the details of which have been agreed by West Sussex County Council), a traffic management plan relating to the Tough Mudder events shall be submitted to and agreed in writing by the Local Planning Authority (in consultation with WSCC Highways) annually prior to events taking place on the site. The traffic management plan shall include monitoring at each event to inform the following year's plan. The events shall be carried out in strict accordance with the agreed plan.

   Reason: In the interest of highway safety in accordance with Policy 40 of the Horsham District Planning Framework (2015).

Date of approval - 26th July 2024

4. **Pre-Commencement Condition**: With the exception of the 2017 event (the details of which have been agreed), a noise management plan shall be agreed with the Local Planning Authority prior to the first event on the site each year. The monitoring information shall be made available to the Local Planning Authority if requested to ensure acceptable noise levels during the event and shall inform the following years plan. The monitoring position shall first be agreed with the Local Planning Authority, in consultation with the Council's Environmental Health department, prior to any monitoring being undertaken.

   Reason: To protect the amenity of the occupiers of the neighbouring properties in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Date of approval - 26th July 2024

5. **Pre-Commencement Condition**: With the exception of the 2017 event (the detail of which have been agreed), prior to Tough Mudder events being undertaken on the site, a plan and details shall be submitted annually to and approved in writing by the Local Planning Authority detailing the site set up (including the car parking areas, campsite, base area), the route of the course showing the location of obstacles and areas of the ancient woodland where existing tracks are not to be used, the dates of the events, the dates that site set-up/site take down will be undertaken, the details of the site restoration and measures for ensuring public health and safety and the protection of biodiversity. The events shall be carried out in strict accordance with the agreed plan and details.

   Reason: To protect the amenity of the occupiers of the neighbouring properties in accordance with Policy 33 of the Horsham District Planning Framework (2015) and to prevent unacceptable damage to the ancient woodland in accordance with Policy 31 of the Horsham District Planning Framework (2015).

Date of approval - 26th July 2024

The development shall be implemented in accordance with the approved plans and details listed in the schedule below.
