Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other
Comments:	I support this application. The conversion of the stable into a small 1 bedroom holiday unit is a sensible use of an existing building and will not negatively affect the surrounding area. The proposal will help support local tourism and local businesses while keeping the character of the site. The development is small scale and appropriate for the rural setting.

I believe this is a positive and well considered proposal and I fully support the application.

Kind regards
