Comments: I am writing to provide my wholehearted support for the application regarding Swim School extension.
One of the first things that attracted us to this swim school was its ideal location. It offers safe and convenient parking, and the wonderful natural surroundings make for a calming and enjoyable visit for the whole family each week.
However, the real reason we stay is the quality of the teaching. [REDACTED]
[REDACTED]. The teachers are exceptionally talented and have a wonderful way with the kids, ensuring they progress in a safe and happy atmosphere. It is a fantastic environment for young children to learn to swim.
The proposal to open on more Sundays would be a tremendous benefit to the local community. For many parents, weekends are the only time for extracurricular activities, and

additional Sunday availability would be incredibly helpful and greatly appreciated by families with young swimmers.
I strongly urge you to approve this request.

Kind regards
