This is a black and white architectural elevation drawing of a house. The house features a gabled roof with a chimney on the right side. On the left, there is a small porch with a double door. The main body of the house is a large rectangle with a gabled roof. The drawing is a line art style with some cross-hatching for shading.

This is a black and white architectural elevation drawing of a house. The house features a gabled roof with a chimney on the left side. A small porch with a gabled roof is attached to the left side of the main house. To the right of the main house is a two-car garage with a gabled roof. The drawing uses simple lines and shading to represent the structure.

A 2D line drawing of a building with four arrows labeled A, B, C, and D indicating different views. Arrow A points to the front facade, B to the right side, C to the back, and D to the left side.
