

This drawing shall not be  
scdded.  
Work from the dimensions shown  
in the drawing or given in  
the schedule.  
This drawing is to be used as a  
guide only, please refer to scope  
of works for specific quantities  
and details

# LEVEL 0

## GROUND FLOOR

### CDM Regulations:

In addition to any information included in this drawing or the model from which it is derived, refer also to the project CDM Risk Register for information on residual risks.

### General Notes:

- The drawing does not necessarily show all the information needed to interpret the design intent or the construction details.
- The drawing contains information from more than one source and must be read in conjunction with all other drawings and specifications.
- Any apparent drafting errors and differences between other drawings and specifications shall be brought to our attention.
