Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Losing yet more land on the edges of village. Unsuitable lane for the size of the development , single track lane. Neighbouring property's Losing Privacy and being overlooked. More traffic to a busy village and that's without the construction traffic. More strain on local services. Yet more over development of a village.

Kind regards
