Dear Sir/Madam,

Installation of Virgin Media Cabinet

S/O 35 Somergate Horsham West Sussex

I refer to your notification received in this office on 17th January 2024 concerning the above site.

I write to inform you that this Authority has no comments to make on the above proposal; however, given the existing and proposed pavement width in this location it would be preferable for the cabinet to be sited on the adjoining grassed area (rather than at the rear of the footway).

In addition, it is advised that the proposed cabinet should be finished in green given the nature of the immediately surrounding street scene.

The are considered to be no reasons why the proposed cannot be undertaken in accordance with Part 16 of Schedule 2 of the Town and Country (General Permitted Development) Order 2015, as amended.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours faithfully

Emma Parkes
Head of Development and Building Control
