Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Loss of General Amenity
- Overdevelopment
- Trees and Landscaping

Comments:

The proposed developments will have directly adverse effects on the local communities due to losing open fields and creating overdevelopment in rural/ semi-rural areas where the local infrastructure cannot support it. And, in any case, the housing is not of the kind local people need.

Kind regards
