Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	31A East Street, Horsham
PROPOSAL:	Installation of a 1 x Halo externally illuminated sign, replacing the existing non-illuminated facia board.
REFERENCE:	DC/25/0218
RECOMMENDATION:	Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Objection (see main comments)	
MAIN COMMENTS: Horsham Denne NC supports the comments of the Conservation Officer as we consider the projecting box and multi-coloured lights (if the colours shown in the image are accurate) are not suitable in the Conservation area. HDNC also queries if the lighting timings, shown on the existing floor plan, are correct as they are shorter than the opening hours of the business. Therefore, HDNC **objects** to the proposed illuminated projecting sign.
