Good afternoon Alice

Please see attached.

I note from the revised layout that the flats have been scrapped, and single dwellings are now in place.

The red line on the attached represents the bin collection points for these dwellings.

No objection to the site layout.

Please be aware that I have not received a re-consultation letter for this application.

Can I kindly request that any and all consultation requests are sent to me direct, as well as our [@Hop Oast Admin](#) team.

Many thanks

Josh Ives
