| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | - Other |
| Comments: | A condition regarding surface water is still outstanding and the condition states no development shall take place until this is a resolved via WSCC and the environment agency. Work is progressing but this appears to be unresolved. W are having large lorry deliveries via Downsview Avenue and not via Melton Drive as stipulated. Surrounding roads full of vehicles and lorries despite assurances otherwise, many parked in dangerous positions and blocking access to residential properties. |

Kind regards
