TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr Paul Drayton

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby REFUSE to permit the works specified hereunder, that is to say:

Conversion of a disused agricultural building to a single dwelling house with associated residential curtilage

Barn at Black Cherry Farm Bashurst Hill Itchingfield Horsham

as shown on Plan and Application Number DC/24/0668 submitted to the Council on 21/05/2024. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

1 The development would enable a residential use within a countryside location outside of the built-up area boundary of any settlement, on a site which has not been allocated for development within the Horsham District Planning Framework or an adopted Neighbourhood Plan. The development would be contrary to the overarching strategy and hierarchical approach of concentrating development within the main settlements and is not essential to its countryside location. There are no material considerations which outweigh this harm, and the proposal represents unsustainable development contrary to Policies 1, 2, 3, 4, and 26 of the Horsham District Planning Framework (2015), and the National Planning Policy Framework.

2 It has not been demonstrated to the satisfaction of the Local Planning Authority that future occupiers of the dwelling would not be adversely impacted upon by any activities taking place on surrounding land by reason of noise, odour and general disturbance. The proposal would therefore create accommodation below the standard which the council would reasonably expect, contrary to Policy 32 of the Horsham District Planning Framework (2015), and the National Planning Policy Framework.

3 Insufficient information has been submitted to establish the protection of the ecological and biodiversity interests of the site and whether suitable mitigations or enhancements are necessary and achievable, contrary to Policy 31 of the Horsham District Planning Framework (2015).

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could

not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
