Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Whilst Shermanbury Parish Council are supportive of the application they do not support the design of the extension and on this basis are objecting. The Corner House is a very lovely Victorian cottage and the proposed design with timber cladding does not represent the character of the existing dwelling. If the application was submitted with a design more in keeping with the current dwelling council would reconsider it's objections.

Kind regards
