Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping

Comments:

This is valuable village space used as the green and for charity fundraising. The water neutrality and sewage and surface water at the location are already overloaded and floods the surrounding land. There has been no transparency from the council as this site was previously refused permission and the council claims those documents are lost. As a council working in transparency all proceedings for this venture must be halted until those documents are found.

Kind regards
