

Horsham Denne Neighbourhood Council

CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Swan Walk, Horsham
PROPOSAL:	Installation of a wayfinding totem on Swan Walk
REFERENCE:	Amendment to DC/25/1473 & 1474
RECOMMENDATION:	Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Objection	
MAIN COMMENTS: Horsham Denne NC is pleased that the spiky feathers on the swan have been removed but we still maintain our other comments and strongly object to advertising in the middle of West Street. Although an effort has been made to create a work of art the structure is basically a large advertising board for the shopping mall. As per our previous response, HDNC considers that the proposed large structure is not suitable for the location and will cause increased congestion at the very busy crossway between Swan Walk and West Walk. The application goes against the HDC A Board Policy, firstly in that it promotes individual businesses away from their premises and secondly in creating an obstruction away from the 1 metre boundary of a business. We are also still not sure if the base of the structure is flush with the pavement or if it could cause a trip hazard, particularly for disabled or visually impaired people. Therefore HDNC maintains its objection and I confirm that we would wish the applications to go to the Planning Committee if they are recommended for approval.
