Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	The Parish Council offers no objection to this application but offers the following comments: The solution to ensure on-going water neutrality once the pool is installed is vague. Should HDC approve this application The Parish Council would like assurance that an appropriate monitoring mechanism will be implemented to verify water neutrality compliance going forward. The Parish Council reiterates HDC Tree Officer's comment that a tree protection condition would be appropriate to conserve the health of the surrounding mature trees. The holding comment submitted by the Parish Council on the 11th March is withdrawn.
