Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	With regard to the football pitches / recreational area. I see the football pitch sizes do not accommodate adults football. The village has an established football team - Ashington Football Club who run both minor and adult football teams for both Male and Female. Your proposed drawings show 95 yards x 55 yards. The adult size pitches should be 110 yards (100.58m) x 70 yards

(64.01m). Your application is much smaller and therefore restricts the potential usage for all age groups.

I also note there are no provisions for floodlights. This, once again will restrict the times and provisions of use. This will mean training during winter months can only be achieved by trying to get well lit pitches for training outside of the village which, for the number of teams that Ashington Football Club is almost impossible.

I therefore cannot agree with the provisions placed in your document.

Kind regards
