Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The road through the village is busy enough . 31 houses are just going to make matters worse. The roads in the surrounding area are so fast with 60 mph out of the village perimeter making it a danger to be walking riding or cycling another potential 60 plus cars will have a detrimental effect

Kind regards
