Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Trees and Landscaping
Comments:	I object as we live on a single track road which is already over used especially by delivery vans. So new houses would bring more traffic which we could do with out!! Also plus it would need more water which is a problem as there is no talk about building new reservoirs!! We live in the country where our fields should have sheep, cows or horses on them not a housing estate and also gatwick expansion and wild life!,

Kind regards
