Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	This plot is not part of the Village Plan so on that fact alone it should be declined. However the idea of 40 houses is far too many on this plot. Issues would be: Access and traffic - with an additional possible 80 cars or so to a site with no current road access.

Flooding: it is a flood area adjacent to our stream. Recent History has shown how over development and poor management has resulted in flooding in Henfield Road properties.
Amenities: extra 80 to 160 approx residents would presumably need Schooling and health care facilities - this is unrealistic.

Kind regards
