Comments:	DISC/26/0153 - Horsham Town Council Planning Committee resolved no objection, subject to the following conditions which it is hoped the HDC officer will ensure are addressed: We expect HDC to request the developers to : 1. Submit accurate drainage plans that show the pipe along the western boundary and advise how this will be maintained going forward (particularly as it is planned to plant trees over it);

2. Submit revised plans and documentation to show what mitigating action will be taken to ensure that gardens along the western boundary are not flooded;
 3. Factor in additional drainage solutions to drain the school playing field so that the flooding currently suffered by the gardens in Merryfield drive ceases.
