Address:	105 Rushams Road Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Air Conditioning units can be excessively noisy and cause building vibration. The revised location for the unit is on the rear of the neighbours property. What assurances and mitigation can be given that the planned relocation of the unit will not cause a significant noise or vibration disturbance for the rear first floor bedroom of our property at night during sleeping hours (especially with windows open).

Kind regards
